## HOWARD REIN TOURNAMENT

# Spikes rebound from first loss, top Lethbridge

By Chronicle Staff

The Bozeman Spikes rallied from their first tournament loss Thursday to defeat the Lethbridge Miners 10-9 on Friday.

The Spikes had to shake a few remaining jitters as the Miners took the early lead. Spikes starting pitcher Corbin Gates hit the Lethbridge leadoff man and allowed him to take second on a wild pitch and the Miners collected three runs on two hits.

But after taking down the first three Miners' batters in the second inning, the Spikes offense picked up. Alex Bradford, running for Josh Mackay, and Dillon Peterson both reached home on errors Keith Ailes batted in Kyle Sibary to tie the score.

Bradford rounded the bases once again in the bottom of the fourth for the extra run the Spikes needed to hold on to the win.

The Spikes also played the late game against the Missoula Mavericks A and lost 8-7, after leading by one in the fifth inning.
